INITIAL COMMENTS OF SPRINT COMMUNICATIONS COMPANY L.P.

Pursuant to the Arizona Corporation Commission's ("Commission") June 24th Procedural Order, Sprint Communications Company L.P. ("Sprint") files these comments in the above-captioned matter regarding the 90-day proceeding required by the Federal Communications Commission's ("FCC") Triennial Review Order ("TR Order").

Sprint has not completed its review of the TR Order and its impact on Sprint's operations and business plans in Arizona and throughout the country and does not intend to actively participate in the 90-day proceeding instituted by the Commission. Nonetheless, Sprint remains interested in the outcome of the 90-day proceeding, and requests permission to remain on the service list for this matter as a party, although it cannot at this time commit to active participation.

Sprint therefore has no comments on any of the questions posed in the Commission's June 24, 2003 Procedural Order other than to note that it believes a separate proceeding is necessary for the completion of the 9-month proceeding due to the

different nature of the markets involved (enterprise switching vs. mass market). Should the Commission decide to consider both the 90-day and the 9-month issues in this docket, Sprint will desire to actively participate. Otherwise, Sprint will await the Commission's opening of the 9-month proceeding before providing any more substantive comments.

Dated this 19th day of September, 2003.

Respectfully submitted,

SPRINT COMMUNICATIONS
COMPANY L.P.
